MERRY CHRISTMAS!

Foot Ball Banquet Held Wednesday

The annual foot ball banquet was given Wednesday night at the Pahokee school cafeteria for members of Coach Frank Hosen's 1941 Blue Devil eleven. The banquet is given each year by the Athletic Association.

David Unwin was chosen by his team mates as the most valuable player of the year. Harold Fletcher was chosen captain of the team.

Jack MacDowell, coach of Rollins college, was the speaker of the evening and showed several rolls of movie film in which he took part in various games played by the Blue Devils. MacDowell was accompanied by Pahokee by Calvin Peacock and Kenneth Bell, two freshmen players. Rollins and former Blue Devils.

Mackey Changes Mind; Doesn't Quit

Following a story appearing in the pages of The Everglades News last week announcing the intention of R. B. Mackey to resign from the City Council of Pahokee, friends implored Mr. Mackey to change his plans and continue serving on the city board until his term expired next May.

Mackey went to the Council meeting with his resignation in his pocket, but after a few minutes' deliberation he decided to remain within the ranks of his friends at the last minute. No information was given as to whether Mackey will resign from the Council at the May session.

Pahokee Pupils To Assist In Defense Efforts At School

Students Highly Pleased For Interest They Are Showing

The efforts of pupils at Pahokee High School to aid America's defense efforts won hearty plaudits from citizens throughout Palm Beach County. D. D. Canfield, principal of the High School, expressed his amazement at the tremendous efforts and sacrifice being made by the pupils in an all out effort to aid defense.

Newspapers throughout Florida have contained articles praising the students for both their initiative and their spirit of sacrifice.

The Junior Class of the High School voted to cancel plans for the annual Junior-Senior banquet and to use the funds of approximately \$200 they had accumulated from the affair for local defense projects. The Senior Class has voted to discontinue publication of the High School annual and use this money for defense purposes. In addition, students have agreed that all gift exchanging among students this year is to be for United States Defense Savings Stamps.

The students have taken over 200 memberships in the American Red Cross and have set this figure as the minimum amount of membership they will set. Plans have been set up in the school patio and senior girls have taken charge of the work.

Sales of defense stamps at the school are in the hands of the Future Farmers of America. In addition the group has been charged a \$100 defense bond. The school has invested \$100 of a scholarship in a defense bond.

"Committee of Fifty," Is Outgrowth Of Meeting Of Pahokee Business Men

Permanent Body To Be Effected By Group At An Early Date

Pahokee's long-felt need for an aggressive civic organization to promote the community and the interests of all citizens received an answer Friday evening when a preliminary meeting was held at the Pahokee Women's Club. Ten members of the committee were appointed to a permanent organization of the group can be effected. The group was known as The Committee of Fifty and it is hoped that every type of commercial and professional venture will be represented in the membership.

Prominent citizens attending the preliminary meeting were: C. A. Bailey, J. V. Thomas, Mayor John A. Dulany, Inman Weeks, Paul Rardin, Jos. Kahn, Abe Doherty, Don Hiller, Rev. J. E. Statman, B. Elliott, Elmer Galt, Herman Knight, Arthur P. Wolford, Darrell Smith, Paul Hoenel, Ed Jensen, J. C. Caffey, P. M. Shaugnessy, V. C. Denton, L. I. Stuckey, Raymond Christian, and Councilman Ben Waring.

In an address opening the meeting, C. A. Bailey pointed out the need for such an organization and the need for united action on the part of all groups. "Growers, merchants, bankers and professional men alike will receive tremendous benefits from such an organization," Bailey stated, "and the growth and development of our community directly depends on the cooperation of the community be broker, merchant or grower. Our great need is to prepare to grow. We must invite and secure new industries, new enterprises and new capital. A community cannot remain static; it must grow or stagnate. Whether the community goes forward or backward depends entirely upon the leaders in the community."

"Certainly green beans are our most important product," Bailey said. "But I wonder how many of you gentlemen know the fact that according to available statistics and agricultural reports, the production of green beans represents a balanced ration that is only second to wheat. The right kind of publicity and advertising would double and possibly triple the consumer demand for green beans. Just this kind of publicity is what we need for our community."

Asserting "this was only one of many ideas that could be easily carried out by the community for adequate weather forecasting which, he claimed, puts Pahokee \$200 behind the times," Bailey pointed out that the soil and climate of the Everglades are ideal for the commercial growing of flowers and plants. The committee mentioned the need of a canning industry and adequate highways. "We can obtain the things we need to develop our community only by the united action of every person who has a dollar invested in the community," he said.

Arthur F. Wolford of the State Frost Warning Service was introduced and gave a brief talk regarding frost warning service in the Pahokee area.

Upon completion of Bailey's talk the meeting grew enthusiastic and upon motion of P. M. Shaugnessy the group unanimously elected Bailey temporary chairman of the organization.

The Committee of Fifty then formed an organizing committee to effect a permanent organization for the opening of the plant by January 15th. The committee will meet in the near future at which time members will be called upon to elect a permanent board of directors. Upon motion of Paul Rardin, the Committee of Fifty set dues of \$60 per year membership, payable cash or by installment.

The meeting was one of the most enthusiastic ever held in Pahokee and participants are confident that they intended the committee to have an aggressive, city-wide organization to further the interests of the community. It was learned later that the group may appoint a full-time executive secretary or manager to handle the affairs of the organization.

The season for the newly organized basketball league will officially get underway on January 5 at Belle Glade. The league will be organized in the opening game of a double-header. Pahokee will meet Belle Glade in the second game.

New Yorker Killed In Car Crash

Mrs. Edith L. Gill of Brooklyn, N. Y., was killed almost instantly during the rainstorm Tuesday, when the car she was driving overturned on Highway 143 just out side of Belle Glade. Mrs. Gill reportedly lost control of the car and witnesses claimed it overturned five times. Mrs. Gill was brought to the Everglades Memorial Hospital in Pahokee and died soon after entering the hospital. Death was due to a broken neck and internal injuries.

Mrs. Gill had been visiting in Inglewood for several months and was on her way to Palm Beach when the accident occurred. The body was placed in charge of the Everglades Funeral Home and was sent to Brooklyn Wednesday night. The only known survivor is her father, Harry B. Rabold of Ruthford, N. J.

Need More Cash To Defray Expense Of Defense Council

H. M. McIntosh, Chairman Says Only \$300 Given Of Needed \$1000

Over \$300 was raised to help finance the Pahokee Canal Point Defense Council according to figures released this week by H. M. McIntosh, chairman of the Council. The amount was raised during the first week of the drive to collect a short of the goal of \$1000 set by officials as a minimum amount necessary to finance defense work in this area.

Officers of the Council expressed themselves as well pleased with the results thus far obtained but urged that there be no let-up in contributions. The money is needed for many activities of the Defense Council including the purchase of short wave sending and receiving sets, the mailing of literature, the purchase of equipment and the purchase of a radio. The money is also needed for the purchase of a radio.

The initial class in First Aid will get underway Monday night at 8 o'clock at the Pahokee High School. This will be in the nature of a preliminary class in which all wishing to participate may register and receive full information as to the requirements for the course. The class will be held in Canal Point on Tuesday night at 8 o'clock at the school auditorium.

All classes will be held in the evening in order that as many citizens as possible may attend the course. The course will be held two evenings each week for a period of five weeks. Each class will be of two hours duration.

Precooling Plant To Be In Operation By January 15th

Equipment Is On The Ground At State Farm's Market Site

It is expected that the new \$33,000 pre-cooling plant adjacent to the State Farm's Market in Pahokee will be in operation by January 15th. The machinery and equipment arrived on location this week for the opening of the plant by January 15th.

The plant is being speeded by officials of the newly-formed Everglades Growers' Cooperative. The plant will be a horse-drawn diesel engine that will operate the plant in being set up this week. Original plans called for the plant to be in operation by January 1st but it will be impossible to finish construction and assembling before the 15th.

The Everglades Growers' Cooperative was organized in October by Sam Chastain as president, L. Stuckey, vice president, Theodore Knight, secretary and Walter G. Hull, treasurer. The cooperative plans to pre-cool celery and other vegetables in the area of the four Glades farmers and the service will be available to other growers in the Pahokee Canal Point area. Officials said the cost of the service will be "exactly" the same as that charged the organization for the pre-cooling of vegetables.

The pre-cooling equipment was purchased in Bradenton and disassembled and shipped to Pahokee. The equipment is capable of pre-cooling a car of celery within 40 to 60 minutes. It is estimated that this week will take care of the major portion of shipments from this area with little trouble.

Christmas, 1941

As we celebrate the birth of the Prince of Peace, our Nation is engaged in a tremendous war against those countries who deny the very existence of a Divine Being.

For those of us who are behind the front lines it is altogether appropriate that we pause to honor the Prince of Peace. It is fitting that we exchange greetings of hope and good will with one another. In a Nation filled with fear and anxiety for the fate of those who man our battle lines, it becomes important that we make our Christmas desire of joy. It is important, too, that our joy be reflected to those at the front.

Let us all offer our hearts and pray for "Good Will Towards Men". We here at The Everglades News and The Belle Glade News extend our heartiest greetings to all for a very Merry Christmas and a New Year brimful of prosperity, peace and contentment. May God bless us all!

First Aid Course Will Begin At Once For Glades Folks

Lynn Elarbee, Chairman, Announces Schedule For Pahokee-Canal Point

Lynn Elarbee, chairman of the First Aid Committee of the Pahokee Canal Point Defense Council announced today that classes in First Aid would begin immediately in this area. The classes will be conducted by officials of the American Red Cross and are sponsored by the Palm Beach County unit of the Defense Council.

The classes are part of a nationwide program to equip ordinary citizens in the fundamentals of first aid in order that they may be available for call in the event of an emergency.

The initial class in First Aid will get underway Monday night at 8 o'clock at the Pahokee High School. This will be in the nature of a preliminary class in which all wishing to participate may register and receive full information as to the requirements for the course. The class will be held in Canal Point on Tuesday night at 8 o'clock at the school auditorium.

All classes will be held in the evening in order that as many citizens as possible may attend the course. The course will be held two evenings each week for a period of five weeks. Each class will be of two hours duration.

Impetus Is Given Drive For Funds Of 'Committee Of 50'

More Than \$500 Already Paid In By Members In Pahokee

C. A. Bailey, temporary chairman of the newly organized Committee of Fifty, reported yesterday that enthusiastic response has greeted the first efforts of the drive to obtain funds. Bailey stated that over \$500 has been collected in the first three days immediately following Friday's preliminary meeting of the group.

The amount collected was taken as an indication of the "wholehearted" support to be given to Pahokee's new Committee of Fifty. A goal of \$1,000 has been set as the amount necessary to finance the work of the committee. Bailey said there was little doubt that this amount could be collected.

Membership fee in this new organization has been set at \$60 annually. An organization meeting was held at the Pahokee High School on Tuesday night at 8 o'clock. The meeting was attended by Mrs. W. R. Masser, chairman of the Palm Beach County unit, Mrs. M. Shaugnessy was elected chairman of the Pahokee Canal Point branch and the following committee was elected: Nutrition, Mrs. John A. Dulany; Recreation, Mrs. J. V. Pourmy; Home Gardens and Beautification, Mrs. H. M. McIntosh; Consumers' Interest, Mrs. B. Elliott and First Aid, Mrs. W. R. Masser.

The City Council of Pahokee at its regular bi-monthly meeting obtained in court against the city. Clerk to pay a judgement of \$300 obtained in court against the city. The judgement was in favor of Mrs. Altman who sued the city claiming she had fallen in front of the city plant.

The Council also acted to have lights placed entirely around the city plant and appointed J. Schroder as a night guard. The action was taken to prevent possible sabotage efforts.

Chief of Police Haywood Baxter was delegated to collect the occupational taxes from all businesses in the city within ten days. Chief Baxter is to make a report of the collections at the next meeting of the Council. The Council also passed a resolution to pay the tax within the time limit.

The Council approved a motion to purchase 25 police badges for the new deputies sworn in last week as part of the defense effort. The city is to purchase the badges only in case the Pahokee-Canal Point Defense Council fails to do so.

The combined choirs of the Community Methodist Church in Belle Glade will present a Christmas program Sunday at 5 p. m.

An effort to buy uniforms for those Scouts who cannot afford to buy them was made by the Scouts of the Anita Mitchell presented several children from the Pahokee and Canal Point schools in an interesting musical program.

Red Cross Off To Excellent Start In The Lake Okeechobee Region

Miss Hooker To Wed Mr. Crech

Announcement was made today of the coming marriage of Nancy New Hooker, daughter of Mr. and Mrs. W. R. Hooker of Belle Glade, to Mr. Robert Y. Crech, son of Mr. and Mrs. Robert Y. Crech, also of Belle Glade.

The wedding will take place on Saturday, December 28, at 5 p. m. at the Community Methodist Church of Belle Glade. The Rev. J. Jameson, pastor, will officiate. No invitations have been issued and the many friends of Miss Hooker and Mr. Crech are invited to be present at the wedding ceremony.

The young couple both attended Pahokee High School and graduated in 1938. Miss Hooker has been a student at Bridgewater College in Virginia and Mr. Crech at the College of Optometry in Chicago. The young couple plan to reside in Chicago where the bride will continue her studies at the University of Chicago.

Defense Workers Complete Groups To Carry On Work

DeMoya, Chairman, Has Held 17 Meetings To Organize Work

Defense Council throughout the Glades, have been working night and day since the declaration of war to make sure that every possible precaution has been taken to provide adequate defense and emergency services. P. J. DeMoya, chairman of the Pahokee Canal Point Defense Council said a total of 17 meetings were held during the week to perfect plans for the defense of the area.

The Pahokee Canal Point area headquarters have been set up at the Pahokee High School. During the week, 20 deputy sheriffs were sworn in by Chief of Police Haywood Baxter. In addition ten deputy sheriffs were also sworn in. These men will be subject to call in case of any emergency.

A Woman's Participation Committee was formed Tuesday night at the Elks' Club. The meeting was attended by Mrs. W. R. Masser, chairman of the Palm Beach County unit, Mrs. M. Shaugnessy was elected chairman of the Pahokee Canal Point branch and the following committee was elected: Nutrition, Mrs. John A. Dulany; Recreation, Mrs. J. V. Pourmy; Home Gardens and Beautification, Mrs. H. M. McIntosh; Consumers' Interest, Mrs. B. Elliott and First Aid, Mrs. W. R. Masser.

ARMY ASKS CO-OPERATION

An appeal to civilian drivers of automobiles to cooperate with the Army in movement of convoys through the eight southern states has been voiced by Lieutenant Colonel C. W. Richmond, Motor Transport Officer on the staff of Brigadier General James L. Frink, Fourth Corps Area Quartermaster.

"Troops and equipment must be continuously moved if the Army is to get the proper amount of training during their short term of service," Colonel Richmond said, "and the only place that they can travel is on the highways."

Drivers of private vehicles were asked by the Quartermaster Corps to avoid cutting into convoys while traveling in the same direction, and to use caution in passing other cars while meeting the line of Army trucks.

Convoys are routed, whenever possible, to avoid large cities and highways bearing heavy civilian traffic. When convoys do have to go through towns, however, the sections of the line, ordinarily spread out on the highways, close up to permit fast passage through congested districts. Civilians were

asked not to attempt to cross the convoy line while it is progressing through cities. The Quartermaster Corps, responsible for the safe movement of the troops by both rail and motor transport, has adopted rules governing the action of convoys while en route, and have asked local authorities to assist in preventing traffic congestion. State and city officials are requested by officers in charge of the convoys to furnish police escorts to clear the way for the Army trucks. At all intersections where traffic is heavy, either a civilian or military policeman is stationed to direct both civilian and military vehicles.—The Hollywood Sun.

HEED FISH AND GAME LAWS!

If you ever have the urge to break a hunting or fishing law in Florida, this is warning advice that you run a big chance of being apprehended in the act or found guilty in some other way. Records in the office of the commission of game and fresh water fish at Tallahassee show that hunting out of season is the evil eye to which most offenders fall prey. A total of 201 arrests were made during November, largest number reported in several years. In all, 39 were fined for jumping the gun and hunting before the season opened. Other violations resulted in arrests as follows: Hunting without a license, 27; fishing without a license, 17; hunting in game breeding ground, 13; possession of undersized fish, 10; discharging firearms on State Roads No. 26 and 27; possession of racoon hides closed season, 7; hunting on closed day, 6; selling fish without a license, 5; taking game after sunset, 4; renting boats without a license, 3; trapping during closed season, 2; discharging firearms on Tamiami Trail, 2; fishing with more than one pole, 2; taking wood duck, 2.—Titusville Star-Advocate.

"Just Before Christmas" was the title of a Christmas play presented by the pupils of the Belle Glade School in the high school auditorium Thursday night.

Pvt. Virgil Tillis of Fort Johnson, S. C. is spending his Christmas with his brother and sister-in-law, Mr. and Mrs. Wild Tillis of Pahokee.

The Belle Glade Club will hold their annual Christmas Party on Sunday afternoon at the home of

the club mother, Mrs. F. D. Stevens at the Everglades Experiment Station.

W. P. Walker, City Clerk of Pahokee, spent Wednesday at West Palm Beach on business.

A daughter, Beulah Sue, was born December 17 to Mr. and Mrs. Carl J. Andin at the Everglades Memorial Hospital.

Mrs. J. E. Oleson and Mrs. V. C. Oleson were business to the

Community Garden Club at their regular Tuesday meeting. The meeting was devoted to the making of Christmas wreaths. Mrs. B. S. Thompson was awarded a prize for making the best wreath.

Bill Allen, Jr., returned to Miami after visiting his parents, Mr. and Mrs. W. C. Allen of South Bay.

Miss Virginia McClure, daughter of Mr. and Mrs. O. B. McClure of Pahokee, has just returned from the University of Alabama to

spend the holidays with her parents.

The Gertrude Shirley Circle of the Pahokee Methodist W.S.C.M. presented a Christmas program at their regular meeting this week. The Pahokee Woman's Club has voted to support Mrs. Sue Christie Webster for treasurer at the Florida Federation convention.

A Christmas basket will be sent to the Methodist Orphanage at Enterprise by the Girl's Mission

ary Society of the Methodist Church of Pahokee.

The Woman's Missionary Society of the First Baptist Church of Belle Glade held a Christmas party at their Tuesday meeting.

A daughter was born to Mr. and Mrs. Louis Friend December 10 at the Good Samaritan Hospital in West Palm Beach.

Canal Point Pupils Stage Pageant

The Canal Point Public School presented the first Christmas pageant and public performance in the new school auditorium Wednesday evening that has been shown in several years, due to lack of facilities.

The beautiful performance was witnessed by an enthusiastic audience of patrons and friends of the school. The many visitors attending the program stated that it was the best of its kind they had seen in many years. The costumes were perfect in every way, the lighting was very effective, and the general order of the performance went off like a clock.

The program opened promptly at eight o'clock, with the playing of four pipe organ selections: "Trees," "Irish Air," followed by "Christmas Fantasy—Part 1 and 2." Mrs. D. D. Canfield rendered "O Holy Night" in her usual charming manner.

Immediately following the solo the Christmas story was told in pageant and song by the pupils of the upper grades of the school. After the Christmas bells, the choir entered singing "O Come, O Come Emmanuel" and "It Came Upon A Midnight Clear." The six tableaux followed: The Shepherds, A Multitude of Heavenly Hosts, Let us go unto Bethlehem, The Three Wise Men, Mary, Joseph, and the Babe lying in the manger, and When the Wise men worshipped. These tableaux were interspersed with the following Christmas carols: "Angels We Have Heard On High," "O Little Town of Bethlehem," "We Three Kings of Orient Are," "What Child Is This," "Silent Night," "Joy To The World," and "Adeste Fideles."

The Reader, Yvonne Frazer, quoted the story in bible verses as the tableaux and songs were rendered. Yvonne's part was capably done and well received.

Other leading parts were Joseph, Jasper Reed; Mary, Ann O'Connell; Shepherds, Dwight H. Geiger, Charles Scott, Samuel Jordan, Billy Jerriegan, and Buddy Sims. Wise Men were: Charles Singletary, Junior Howell, and Junior Herring. The Angels, in their beautiful scene, were Louise Snyder, Lucille Snyder, Thelma Geiger, and Helen Stuber.

The singing by the young choir was superb in its quality of voice and showed much effort and training on the part of the pupils and the teachers. The choir was composed of: Patsy Ann Geiger, Peggy Powell, Elizabeth Pope, Grace Hiren, Irwin Miller, P. M. Masters, Clarence Padgett, Snyrna L. Cox, Delona Martin, Betty L. Reeves, Annette Groover, Max Wilson, Harlan Sears, Louise McNeil, Mary Helen Hooks, Lena Goodson, Leola Echols, Barbara Wooten, Bill Reaves, Andrew Hayes, Lilian Kimball, Dorothy Chastain, Charles Rooks, Grace Williams, Bill Khan, Myrtle Smith, Charles Johnson, Betty Ann Sears, Martha Sprague, Zena Gale Kimball, Cloy Taylor, Betty Altman, Doris Simmons, and Venera Weeks.

The music for this pageant was under the direction of Miss Anita Mitchell, music supervisor. Miss Sue Maxwell, Mrs. Martha Michael, and Mrs. Laurie Holt. The tableaux were guided by Mrs. Gladys Harrington; Lighting by Fred Barshell; Curtains by Ray Hawk; and Choir robes by Mesdames Ruth Dopp and Wilma Lence. No story of the performance would be complete without mention of J. B. Cox, principal, under whose general direction and valuable assistance the performance was produced.

CARD OF THANKS

We desire to express our sincere thanks to the many friends, for their expressions of sympathy during the illness and death of our husband and father E. G. Kilpatrick, Sr. We shall always remember these kindnesses.

Mrs. E. G. Kilpatrick, Sr., Willie Lee McKinnon, Lillian Kilpatrick, E. G. Kilpatrick, Jr.

Street Markers Being Erected

Tourists and strangers will find their way easily about Pahokee's streets these days. During the past week street markers have been placed on all principal intersections throughout the city. Some old-time Pahokee residents are chortling because they are finding out the names some of the street for the first time.

The signs are made of wood and against a painted background of white, black letters have been stencilled in. The markers are attached to attract light poles.

Christmas Carols

CHRISTMAS

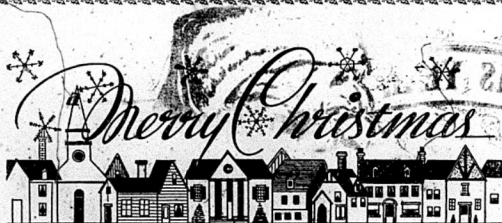

The singing of carols at Christmas time is one of our oldest and best customs. The carols express in words and in melody what we feel in our hearts during the Christmas season but is otherwise hard to express. The singing of "Peace and Good Will" go deeper into the heart than mere words alone could make them do.

When we wish for you joy ever abiding. Peace and Happiness, we hope we will strike a responsive note in your hearts as though it were sung.

Season's Greetings

GO TO CHURCH SUNDAY

Do You Remember When These Happenings Took Place 15 YEARS AGO

Here On The Shores of Lake Okechobee?

Between three and four car loads of ~~hampers~~ were being shipped daily over the boat line via Clewiston from South Bay.

The engagement of Miss Gladys Weathers of Shelton, Ga., to Earl E. Mallard of Canal Point was announced last week in the *Atlantic Journal*. Miss Weathers is a teacher in the Canal Point school and Mr. Mallard is an employee of the sugar company.

Farming has been resumed at Tutta after a standstill following the September hurricane.

A. Kaltenbruner has a new electric sign with the word "Gasoline" over his filling station.

Dr. E. D. Harris, who has owned land on Kremer Island for several years, has resumed the position of county veterinarian of Okechobee which he resigned last year. Dr. Harris was state veterinarian for several years leaving that position to enlist in the army for service in France.

On Christmas eve Santa Claus will be at Mrs. A. Kaltenbruner's

novelty shop. All children are in vited to come to see him.

Miss Lola Elliott will work in the Pahokee post office the rest of the season as the postmaster, G. C. McLarty is farming.

Thursday night Dec. 23 a delightful comedy "Miss Molly" will be present at the Pahokee theatre. Those taking part will be E. E. Kilpatrick, Charles M. Todd, Leo Maxwell, Mrs. W. H. Lair, Miss Margaret York, Mrs. Charles M. Todd, Miss Hilda Lee and Mrs. J. R. York.

Several men from Pahokee were out hunting last week. The lucky ones were J. C. Tabb, T. S. Spooner and Doss Tabb, 11 year old, who killed a deer.

Including some hampers from Kremer Island 520 hampers of beans has been shipped from the Canal Point section so far this season. Spooner & Wilder will ship some tomatoes from their patch on the St. Lucie canal between Port Mayaca and Indiantown. Next Week

Twenty-two carloads of beans have been shipped from the Belle Glade area since the start of the harvest season.

A loading station will be established by the Plant East Coast rail road where the Belle Glade-Pahokee road crosses. The station will be ready by January 15 and will give growers Refrigerator car service.

The City of Moore Haven has been turned back to the citizens by the government. The town has been made livable after the storm in September and the light and water plant has been turned over to the city by the drainage board.

C. P. Methodists To Present Drama

The Canal Point Methodist Church is presenting a stereoscopic version of the famous book by Van Dyke, "The Other Wise Man," at the Sunday night service. The time is 7:30. Following the pictures the White Gifts will be presented at the altar in commemoration of the gifts brought to the Christ Child. These gifts will be used for those who may be in need this Christmas.

You are invited to bring your gift and worship with us. We extend to all the BEST WISHES OF THE HOLIDAY SEASON.

War Not Expected To Affect Tourist Travel

JACKSONVILLE, Dec. 18 (FN) — Railway men do not believe the entrance of this country in the war will greatly effect tourist travel to Florida this fall and winter.

Official of the Seaboard Airline Railway report a 20 percent increase in reservations over a year ago.

While military operations may present a problem from the equipment standpoint officials believe they will be able to care for tourist traffic needs and point out that new schedules and recently added equipment should prove capable of meeting the situation.

Canal Point Baptist Church

S. B. Jordan, Pastor
Sunday School will be at 10:00 o'clock. J. H. Borden is Supt.
Morning Worship begins at 11:00 o'clock. Special music by the Choir. The pastor will bring his message on the subject, "JOY TO ALL PEOPLE." He invites the public to hear this Christmas message.

Gifts of provisions to fill the Christmas baskets will be received at both services Sunday.
The evening hour of worship begins at 7:30. The pastor will preach.
Tuesday evening there will be a Christmas tree and a Christmas play given for the Sunday School.

Canal Point Methodist Church

Church School 10:00 a. m.
Morning worship 11: "God Invades The World"
Young Peoples Services, 6:30 p. m.
Evening Worship: "THE OTHER WISE MAN" in Stereoscopic Slides followed by the WHITE CHRISTMAS gifts presented at the altar.
WE WISH YOU ONE AND ALL A VERY MERRY CHRISTMAS AND A PROSPEROUS NEW YEAR!

Christmas Carols in the Camps

Feature American Soldier's Yule

LUCKY indeed is the soldier who obtains a Christmas furlough and spends a portion of his holiday season at home, but what about those hundreds of thousands of American boys in our Army who will remain on duty in the cantonments and island bases and in garrisoning distant outposts?

The answer is voiced in a song, a glorious hymn that will be heard from virile young throats singing in praise of Him in whom rests mankind's steadfast hope in this hour of the world's history.

The hymn, a favorite of the American soldier and of his forebears in arms since colonial campfires, "O Come, All Ye Faithful," will be sung in 200 new Army chapels where this year Christmas services will be held for the first time.

In his spiritual life, Army chaplains declare, the citizen soldier finds the closest linking military duties with the cherished customs of his home. Especially among young men from the farming communities and the towns and smaller cities the observance of Christmas in the camps will not be unlike the programs in churches throughout the land where friends and neighbors assemble for the Christmas festival. In Army chapels the same midnight services will be held, the youthful worshiper will join in the same inspiring music, he will hear again the same message of hope, the same fervent prayers for peace and good will.

During Yuletide the singing of familiar carols will enliven the camps, not only in the training areas at home but the same music cheer and comfort will echo from the cliffs of Iceland and the wastes of Greenland as well as among the tropic shores of Trinidad, Guiana, and the Orient. For the Chief of Chaplains has announced the distribution of the new Army and Navy Hymnal, a book containing the best in sacred themes, subdivided for Protestant, Catholic, and Jewish forms of worship. Special visitations will be made to the hospitals. Neither will the inmates of the guardhouse be overlooked.

Greyhound Track Opens Next Week

Five hundred of the fastest greyhounds in America are now kennelled at the Palm Beach Kennel club awaiting the opening of the 90 night meeting which begins December 27.

Schooling of these speedsters will begin December 18. According to the State Racing Commission, each greyhound must be schooled twice before it is permitted to enter an official race.

Special attention this year is being called to the schooling race by general manager H. Phil Bryan. The time of the winners in each

All will share the spirit of Christ.

At this season the 1,626 chaplains in our Army take stock of their efforts through the year, and the Chief of Chaplains advises the Chief of Staff as well as the home folks that most encouraging progress has been made for the spiritual well-being of the troops. Where 11,540,000 soldiers attended religious services during the last fiscal year with an average of 97.8 persons at each service, it is

pointed out that there is now a much larger participation and a corresponding increase in the participation of holy sacraments.

Said a veteran chaplain: "The tradition established by those pioneer soldiers who bowed in prayer on the eve of Bunker Hill and in the storm-wracked camps at Valley Forge is still alive in the hearts of America's defenders in arms."

of the races staged will be announced and published so that the patrons will have a complete line on the greyhounds when the season opens. By knowing at the head oval when Moussie-Mile performs, Mike is said to be the fastest greyhound in America today.

All indications this year point to the fact that the track will have its greatest season. The State Racing Commission recently issued a ruling prohibiting all dog tracks from issuing passes. This however will not be such of a hardship upon the fans for the admission was but 25 cents.

Palookee Baptist Church

The annual Christmas tree and treat sale is conducted on Friday night (this week) at the church with the following program: Western Union Messages by Billy Wayne; "The Three Kings" — Pantomime; Pura Solo — Margaret Powell; Scripture Reading — Shirley Watson; "Night Before Christmas" — Fay Gilbert.

Decorated by Jack Crocker. The Music of Christmas — Christine Urean.

"A Little Rhyme" — G. Scoppell; "Very Short" — R. Jordan; "Little Helper" — Louis Pope; "Candle Ball Song" — The Manger; "Happiest Angels" — Mrs. H. L. Jordan; Carols by the entire school; Growings — Lovett; "Christmas cake" — Mrs. D. Crocker's group.

Palookee Baptists Present Cantata

The choir of the First Baptist Church of Palookee will present "The Orient" a Christmas cantata, song and words, on Sunday night, at 7:30. Mrs. C. Scheible will present the reading. The chorist

show will be the 33rd annual event.

"Remember Pearl Harbor." Your dimes, quarters and dollars invested in Defense Savings Stamps and Bonds will help provide ships, shells and planes to give Japan America's answer.

To relieve MISERY OF COLDS 666 LIQUID FEVERS, SORE THROATS, COUGH DROPS. Try "Rub My Thumb" a Wonderful Lament.

The Central Florida Fair and Exposition is scheduled for Feb. 28-29 at Orlando, officials announced this week. The coming

MERRY CHRISTMAS
TO ALL

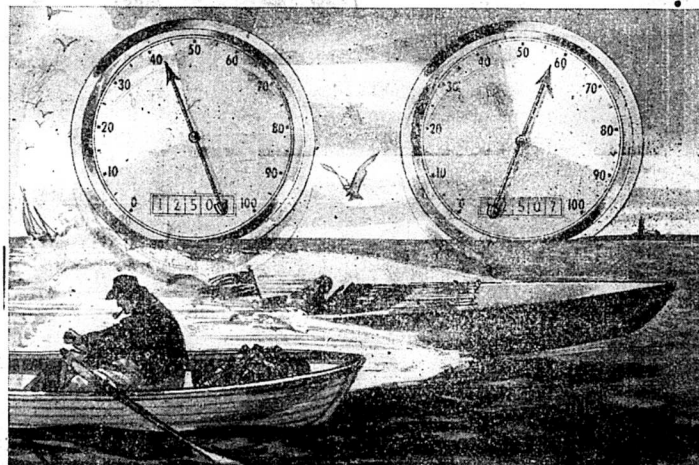

We Wish For You

Loads and Loads of Christmas Cheer and Happiness Throughout the year! We wish to thank you for your courtesy during the past and we cordially invite you to visit us during the New Year.

MYRL WILLIAMS - J. H. DUNHAM - JAKE GRAY

**GIVE YOUR CAR HIGH ANTI-KNOCK
IN BOTH SPEED RANGES**

Don't you find that you drive your car mainly in the two speed ranges symbolized by these boats? You use the low speed range in traffic and the high speed range on the open road. Therefore for knockless driving, you need a gasoline that gives high anti-knock in both these speed ranges—not in just one.

Sinclair H-C Gasoline gives you this Double-Range Anti-Knock. The reason is that H-C goes through two special processes in the course of refining. Ask your nearby Sinclair Dealer for a tankful of Sinclair H-C Gasoline today. It gives you Double-Range Anti-Knock, yet sells at the price of regular grade.
